All sums assessed by the Association against any Owner as a regular or special assessment shall bear interest thereon at the then maximum legal rate (but not more than fifteen (15%) percent per annum) from the thirtieth day following default in payment of any monthly assessment when due. Any delinquent owner shall also be obligated to pay (i) all expenses of the Association, including reasonable attorney's fees, incurred in the collection of the delinquent assessments by legal proceedings or otherwise; (ii) any amounts paid by the Association for taxes or on account of superior liens or otherwise to protect its liens, which expenses and amounts together with accrued interest, shall be deemed to constitute part of the delinquent assessments and shall be collectible as such, subject to Article 8.2 above.

8.13 Implementation. The Association shall adopt in its Bylaws such additional or other procedures and requirements as it deems necessary and desirable to implement the provisions of this Article VIII and to otherwise provide for the efficient fiscal operation and management of the open spaces.

## **ARTICLE IX**

### **EFFECT AND ENFORCEMENT**

9.1 Reservations and Restrictions to Run with Land. All of the covenants, conditions, restrictions, reservations and servitudes set forth herein shall run with the land and each Owner, by accepting a deed to any Unit, accepts the same subject to such covenants, restrictions, reservations, and servitudes and agrees for himself, his heirs, administrators, and assigns to be bound by each of such covenants, conditions, restrictions, reservations and servitudes jointly, separately and severally.

9.2 Remedies for Violations. For a violation or a breach of any of these covenants, conditions, reservations and restrictions by any person claiming by, through, or under the Declarant, or by virtue of any judicial proceedings, the Declarant and the Owners, or any of them severally, shall have the right to proceed at law or in equity to compel a compliance with the terms hereof or to prevent the violation or breach of any of them. In addition to the foregoing right, the Declarant shall have the right, whenever there shall have been built on any Lot any structure which is in violation of these restrictions, to enter upon the Lot where such violation of these covenants, conditions, reservations and restrictions exists and summarily abate or remove the same at the expense of the owner, and any such entry and abatement or removal shall not be deemed a trespass.

(a) Should the Declarant or any Owner employ counsel to enforce any of the foregoing covenants, conditions, reservations or restrictions, or reentry, by reason of such breach, all costs incurred in such enforcement, including a reasonable fee for counsel, shall be paid by the

Owner and the reversionary owner shall have a lien upon such Unit or Lot to secure payment of all such accounts.

(b) Should the Owner fail, neglect or refuse to satisfy and discharge any lien arising hereunder within thirty days, the Declarant or Owner in whose favor said lien has arisen, their respective heirs, successors and assigns shall have the right to interest on such liens at the rate of fifteen (15%) percent per annum and shall be entitled to receive all costs of collection, including a reasonable attorney's fee.

(c) The breach of any of the foregoing covenants, conditions, reservations or restrictions shall not defeat or render invalid the lien of any mortgage made in good faith for value as to any Unit or Lot or portions of Units or Lots, but these covenants, conditions, reservations and restrictions shall be binding upon and effective against any such mortgagee or owner thereof, whose title thereto or whose grantor's title is or was acquired by foreclosure or otherwise.

(d) No delay or omission on the part of the Declarant or the Owners in the Real Estate in exercising any rights, power or remedy herein provided, in the event of any breach of the covenants, conditions, reservations or restrictions herein contained shall be construed as a waiver thereof or acquiescence therein, and no right of action shall accrue nor shall any action be brought or maintained by anyone whatsoever against the Declarant for or on account of its failure to bring any action on account of any breach of these covenants, conditions, reservations or restrictions, or for imposing restrictions herein which may be unenforceable by the Declarant.

9.3 Severability. Each and every of the covenants, restrictions, reservations and servitudes contained herein shall be considered to be an independent and separate covenant and agreement and in the event any one or more of the foregoing covenants, conditions, reservations or restrictions shall be declared for any reason, by a court of competent jurisdiction, to be null and void, such judgment or decree shall not in any manner whatsoever affect, modify, change, abrogate or nullify any of the covenants, conditions, reservations and restrictions not so declared to be void, but all of the remaining covenants, conditions, reservations and restrictions not so expressly held to be void shall continue unimpaired and in full force and effect.

9.4 Rule Against Perpetuities. In the event the provisions hereunder are declared void by a court of competent jurisdiction by reason of the period of time herein stated for which the same shall be effective, then in that event such terms shall be reduced to a period of time which shall not violate the rule against perpetuities as set forth in the laws of the Commonwealth of Pennsylvania.

**ARTICLE X**  
**DURATION OF COVENANTS, RESTRICTIONS,**  
**RESERVATIONS AND SERVITUDES**

10.1 Duration. All of the foregoing covenants, conditions, reservations and restrictions shall continue and remain in full force and effect at all times as against the owner of any Unit in such premises, regardless of how he acquired title, perpetually unless terminated by a vote of not less than two-thirds (2/3) of the members of the Association.

**ARTICLE XI**  
**DECLARANT'S RIGHTS**

11.1. Declarant Control: The Declarant has created the Association and will retain control of said Association as provided for in Section 5303 of the PA Uniform Planned Community Act (68 Pa. C.S.A. §5303(c)). During the period of Declarant Control set forth below, the Declarant may appoint and remove officers and Board of Director members or designate a person to make such appointments or removals. The Declarant may voluntarily surrender the right to appoint and remove officers and Board of Director members before the period of Declarant Control set forth below has terminated. In that event the Declarant may require, for the duration of the period of Declarant Control, that specified actions of the Association or Board of Directors as described in a recorded instrument executed by the Declarant, be approved by the Declarant before they become effective.

11.2 Period of Declarant Control The period of Declarant Control shall run from the date of the first conveyance of a Unit to a person other than the Declarant for a period of not more than seven (7) years; provided, however, that the period of Declarant Control will terminate no later than the earlier of the following:

- (a) Sixty (60) days after conveyance of 75% of the Units to Owners; or
- (b) Two years after the Declarant has ceased to offer Units for sale in the ordinary course of business.

11.3 Election of Members to Board during Declarant Control Not later than 60 days after conveyance of 25% of the units which may be created to Owners other than a Declarant, at least one member and not less than 25% of the members of the Board of Directors shall be elected by Owners other than the Declarant. Not later than 60 days after conveyance of 50% of the units that may be created to Owners other than a Declarant, not less than 33% of the members of the Board of Directors shall be elected by Owners other than the Declarant.

**ARTICLE XII**  
**LIMITATION OF LIABILITY**

12.1 **Standard of Conduct.** In the performance of their duties, the officers and members of the Board of Directors shall stand in a fiduciary relation to the Association and shall perform their duties, including duties as members of any committee of the Board of Directors upon which they may serve, in good faith, in a manner they reasonably believe to be in the best interests of the Association and with such care, including reasonable inquiry, skill and diligence, as a person of ordinary prudence would use under similar circumstances.

(a) In discharging the duties of their respective positions, the Board of Directors members and officers may, in considering the best interests of the Association, consider the effects of any action upon suppliers of the Association and upon communities in which the Planned Community is located, and all other pertinent factors. The consideration of those factors shall not constitute a violation of the standards described above.

(b) Absent breach of fiduciary duty, lack of good faith or self-dealing, actions taken as a Board of Director member or officer or any failure to take any action shall be presumed be in the best interest of the Association.

12.2 **Good Faith Reliance.** In performing his duties, an officer or Board of Director member shall be entitled to rely in good faith on information, opinions, reports or statements, including financial statements and other financial data, in each case prepared or presented by any of the following:

(a) One or more of the officer(s) or employee(s) of the Association whom the officer(s) or Board of Director member(s) reasonably believes to be reliable and competent in the matters presented.

(b) Counsel, public accountants or other persons as to matters which the officer or Board of Director member reasonably believes to be within the professional or expert competence of such person.

(c) A committee of the Board of Directors upon which he or she does not serve, duly designated in accordance with law, as to matters within its designated authority, which committee the officer or Board of Director member reasonably believes to merit confidence.

(d) An officer of Board of Director Member shall not be considered to be acting in good faith if he or she has knowledge concerning the matter in question that would cause his or her reliance to be unwarranted.

12.3 Amendment. The Declarant shall have the right to amend this Declaration at any time to convert the Convertible Real Estate to Lots or Common Elements without consent of any Lot owner. In addition, the Declarant shall have the right to amend the Plats and Plans under § 5210 (e) and (f) of the Act for any purpose without the consent of other Lot owners until 75% of the Lots have been conveyed.

12.4 Reservations, Declarant's Rights. The Declarant reserves the following rights and combination of rights:

- (a) To add real estate to the Planned Community.
- (b) To create Units and Common Elements within the Planned Community including, but not limited to, all Convertible Real Estate.
- (c) To subdivide Units, to convert Units into Common Facilities or Controlled Facilities.
- (d) To withdraw real estate from the Planned Community.

12.5 Reservations, Special Declarant Rights. The Declarant reserves the following Special Declarant Rights to:

- (a) Complete improvements indicated on plats and plans, including but not limited to Convertible Real Estate, under Section 5210 of the Act.
- (b) Convert Convertible Real Estate under Section 5211 of the Act.
- (c) Withdraw Withdrawable Real Estate under Section 5212 of the Act.
- (d) Convert a Unit into two or more Units, Common Facilities or Controlled Facilities or into two or more Units and Common Facilities or Controlled Facilities.
- (e) Maintain offices, signs and models under Section 5217 of the Act.
- (f) Use temporary easements through the Common Elements for the Purpose of making improvements with the Planned Community or within any Convertible Real Estate under Section 5218 of the Act.
- (g) Appoint or remove an officer of the Association or an Board of Directors member during any period of Declarant Control under Section 5303 of the Act.

12.6 Reservation to Convert Convertible Real Estate. Declarant hereby explicitly reserves an option until the seventh (7<sup>th</sup>) anniversary of the recording of this Declaration, to convert Convertible Real Estate to the Planned Community from time to time in compliance with Section 5211 of the Act, without the consent of any Owner or holder of a mortgage on a Unit. This option

to expand may be terminated prior to such anniversary only upon the filing by the Declarant of an amendment to this Declaration. The Declarant expressly reserves the right to convert any or all portions of the Convertible Real Estate at any time, at different times, in any order, without limitation and without any requirement that any other real estate be added, converted or withdrawn. Said option to convert Convertible Real Estate is within the unfettered discretion of the Declarant and there are no other limitations on this option.

12.7 Assurance. At such time as the Planned Community is expanded, if at all, the maximum number of Units on the Convertible Real Estate in aggregate will be no more than 320 Units and the maximum number of Units on the Real Estate in the aggregate will be no more than 320 Units. Any buildings to be constructed on the Convertible Real Estate and Units therein shall be compatible in quality, materials and architectural style with the Buildings and Units in the Planned Community except that no assurance is made as to size of buildings or Units. All Units would be restricted to residential use. The Declarant makes no assurance (i) as to location of Buildings or Units or other improvements and Common Elements within the Convertible Real Estate or the extent thereof, or (ii) that any Common Elements created within any Convertible Real Estate will be of the same general types and sizes as those within other parts of the Planned Community, or (iii) that the proportion Common Elements to Units created within any Convertible Real Estate will be approximately equal to the proportions existing within other parts of the Planned Community. The Declarant expressly reserves the right to designate Common Elements in the Convertible Real Estate and to make improvements. The Declarant makes no assurances as to such improvements or Common Elements. If Units are created in the Convertible Real Estate each Owner therein shall be a member of the Association, each new Unit shall have one vote in the Association and each Unit shall have equal Common Expense liability with all other Units for Common Expenses (and each Unit shall have liability for Special Allocations under Section 5314 of the Act). The percentage of Common Expense liability of each Unit shall be determined by dividing the total of the previously existing and any newly created number of Units into 100, and the quotient is the percentage of Common Expense liability of each Unit for Common Expenses. All restrictions in this Declaration affecting use, occupancy and alienation of Units shall apply to Units created in the Convertible Real Estate. In the event that the Declarant shall not add, or adds and then subsequently withdraws, any portion of the Convertible Real Estate the Declarant shall nevertheless have the right to construct all or any portion of any Building on the Real Estate described in Exhibits "B" and "C" as they may be amended from time to time and operates the same without restriction. No assurance given herein shall apply to any portion of the Convertible Real Estate not added to or withdrawn from the Planned Community.

12.8 Reservations to Withdraw Real Estate. The Declarant hereby explicitly reserves an option, until the seventh (7<sup>th</sup>) anniversary of the recording of this Declaration, to withdraw Withdrawable Real Estate from the Planned Community from time to time in compliance with Section 5212 of the Act, without the consent of any Owner or holder of a mortgage on any Unit. This option to withdraw may be terminated prior to such anniversary only upon the filing of an amendment to this Declaration by the Declarant. The Declarant expressly reserves the right to withdraw any or all portions of the Withdrawable Real Estate at any time, at different times, in any order, without limitation and without any requirement that any other real estate be withdrawn added or converted, except as set forth in Section 5212 of the Act; provided,

however, that the Withdrawable Real Estate shall not exceed the area described as such on Exhibit "C" hereto and shall be subject to all necessary approvals and permitting from the appropriate governmental bodies. There are no other limitations on this option to withdraw the Withdrawable Real Estate. If Real Estate containing Units is withdrawn from the Planned Community, membership in the Association will be decreased by the number of Units withdrawn. The number of votes in the Association will be decreased by one vote for each Unit in the withdrawn real estate. Each remaining Unit shall have one vote in the Association and each remaining Unit shall have equal Common Expense liability with all other remaining Units for Common Expenses (and each Unit shall have the liability for Special Allocations under Section 5314 of the Act). The percentage of Common Expense liability shall be determined by dividing the number of remaining Units into 100 and the quotient will be the percentage of Common Expense liability of each Unit for Common Expenses. In the event that the Declarant withdraws any portion of the Withdrawable Real Estate, the Declarant shall nevertheless have the right to construct all or any portion of any building on such real estate and operate the same without restriction. No assurance given herein shall apply to any portion of the Withdrawable Real Estate withdrawn from the Planned Community. Said option to withdraw Real Estate is within the unfettered discretion of the Declarant and there are no other limitations on this option.

### **ARTICLE XIII** **AMENDMENT**

13.1 Amendments. Subject to the Declarant's rights under Article 11, this Declaration may be amended at any time after the date hereof by a vote of at least two-thirds (2/3) of all Owners at a meeting of all Owners after written notice of the meeting is given to all Owners. The Amended Declaration shall be signed by the President of the Association recorded at the Recorder of Deeds Office of Allegheny County and indexed against all record owners.

IN WITNESS WHEREOF, the said Declarant has caused its name to be signed to these presents on the day and year first above written.
