INSURANCE

Section 8.1. Fire and Extended Coverage Insurance Generally. The Board shall have the authority to and shall obtain insurance for all buildings, structures, fixtures and equipment, and common personal property and supplies now or at any time hereafter constituting a part of the Common Areas, the Limited Common Areas, or common property of the Unit Owners Association, against loss or damage by fire, lightning, and such other perils as are ordinarily insured against by standard extended coverage endorsements, and all other perils which are customarily covered with respect to projects similar in construction, location and use, including all perils normally covered by the standard "all risk" endorsement, which such is available, issued in the locale of the Condominium Property, in amounts at all times sufficient to prevent the Unit owners from becoming co-insurers clause or provision and not less than eighty percent (80%) of the current replacement cost of such items (exclusive of land, foundations, footings, excavations, and other items normally excluded from coverage), as determined from time to time by the insurer.

Section 8.2. Specific Requirements of Insurance. At a minimum, the insurance:

- a. shall provide for coverage of interior walls, windows and doors and the frames, sashes, jambs and hardware, even though these improvements may be part of Units;
- b. shall have an agreed amount and inflation guard endorsement, when that can be obtained, and construction code endorsements, if there is a construction code provision that requires changes to undamaged portions of buildings even when only part of the Condominium Property is destroyed by an insured hazard;
- c. shall provide that no assessment may be made against a first mortgage lender, or its insurer or guarantor, and that any assessment under such policy made against others may not become a lien on a Unit and its appurtenant interests superior to a first mortgage;
- d. shall be written in the name of the Association for the use and benefit of the Unit owners, of its authorized representative, including any insurance trustee with whom the Association has entered into an insurance trust agreement, or any successor to such trustee, for the use and benefit of the individual Unit owners;
- e. shall contain or have attached the standard mortgagee clause commonly accepted by institutional first mortgage holders, insurers and guarantors, which (i) must provide that the carrier shall notify the named insured and each first mortgagee named in the mortgage clause at least ten days in advance of the effective date of any reduction in, cancellation of, or substantial change in the policy, and (ii) must be endorsed to provide that any loss shall be paid to the Association (or its insurance trustee), as a trustee for each Unit owner and each such Unit owner's mortgagee, and, unless otherwise prohibited by a nationally recognized institutional first mortgage holder, insurer, or guarantor, to the holders of first mortgages on Units;
- f. shall have a deductible amount no greater than the lesser of ten-thousand dollars (\$10,000) or one percent (1%) of the policy face amount;

g. shall be paid for by the Association, as a common expense; and

h. shall contain waiver of subrogation of rights by the carrier as to the Association, its officers and Trustees, and all Unit owners.

Section 8.3. Liability Insurance. The Association shall obtain and maintain, at Association cost and as a common expense, a comprehensive policy of general liability insurance covering all of the Common Areas, and public ways and any other areas under the Association's supervision, insuring the Association, the members and the Unit owners and occupants, with such limits as the Board may determine.

a. The amount of liability insurance policy purchased must be no less than the greater of (i) the amounts generally required by institutional first mortgage holders, insurers, and guarantors for projects similar in construction, location and use, and (ii) one million dollars, for bodily injury, including death of persons, and property damage, arising out of a single occurrence.

b. This insurance shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of a Unit owner because of negligent acts of the Association, the Board, or other Unit owners.

c. This insurance shall also include, without limitation, coverage for legal liability for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the Common Areas, and legal liability arising out of lawsuits related to employment contracts in which the Association is a party.

d. Each policy must provide that it may not be cancelled or substantially modified, by any party, without at least ten days' prior written notice to the Association and to each holder of a first mortgage named in the mortgage clause.

Section 8.4. Fidelity Bond. The Board shall obtain and maintain at the Association's cost and as a common expense, a fidelity bond providing coverage for the Association against dishonest acts on the part of directors, managers, trustees, employees, agents or volunteers responsible for or handling funds belonging to or administered by the Association.

a. The fidelity bond must name the Association as the named obligee or insured and shall be written in an amount sufficient to provide protection, which is in no event less than the greater of (i) an amount equal to the Association's reserve funds plus three months' assessments on all Units, and (ii) the maximum amount that will be in the custody of the Association or its managing agent at any time while the bond is in force.

b. In connection with such coverage, an appropriate endorsement to the policy to cover any persons who serve without compensation shall be added if the policy would not otherwise cover volunteers.

c. The bond or policy shall provide that it shall not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least ten days' prior written notice to the Association, and any insurance trustee, and any servicer on behalf of any holders, guarantor or insurer of any mortgage on a Unit who requires such rights.

d. Any management agent that handles funds of the Association shall maintain a fidelity bond providing coverage no less than that required of the Association, which bond names the Association as an additional obligee.

Section 8.5. Reputable Carrier Requirement. Each policy of hazard insurance obtained pursuant hereto shall be obtained from an insurance company authorized to write such insurance in the Commonwealth of Pennsylvania which has a current rating of B/VI, or better, or, if Class V, has a general policy holders rating of at least A, as determined by the ten latest edition of Best's Insurance Reports, or its successor guide, or, if the insurer does not satisfy these rating requirements, that insurer is reinsured by a company that has a B/VI or better rating.

Section 8.6. Other Association Insurance. In addition, the Board may purchase and maintain contractual liability insurance, members and officers liability insurance, and such other insurance as the Board may determine is prudent and in the best interest of the Association and its' Members.

Section 8.7. Insurance Representative; Power of Attorney. There may be named, under any policy obtained by the Association, as an insured on behalf of the Association, its authorized representative, including any trustee with whom the Association may enter into any insurance trust agreement or any successor to such trustee, who shall have exclusive authority to negotiate losses under any such policy. Each Unit owner, by acceptance of a deed to a Unit, irrevocably appoints the Association or such designated representative, or such successor, as attorney-in-fact for the purpose of purchasing and maintaining such insurance, including: the collection and appropriate disposition of the proceeds thereof; the negotiation of losses and execution of releases of liability; the execution of all documents; and the performance of all other acts necessary to accomplish such purpose. The Association, or such designated representative, or such successor, shall receive, hold or otherwise properly dispose of any proceeds of insurance, in trust, for Unit owners and their first mortgage holders, as their interests may appear. This power is for the benefit of each and every Unit owner, and their respective first mortgage holders, and the Association, and the Condominium, runs with the land, and is coupled with an interest.

Section 8.8. Unit Owner's Insurance. Any Unit owner or occupant may carry such insurance in addition to that provided by the Association pursuant hereto as that Unit owner or occupant may determine, subject to the provisions hereof, and provided that no Unit owner or occupant may at any time purchase individual policies of insurance against loss by fire or other casualty covered by the insurance carried pursuant hereto by the Association. In the event any Unit owner or occupant violates this provision, any diminution in insurance proceeds resulting from the existence of such other insurance shall be chargeable to the Unit owner who acquired or whose occupant acquired such other insurance, who shall be liable to the Association to the extent of any diminution and/or loss of proceeds.

Without limiting the foregoing, a Unit owner or occupant may obtain insurance against liability for events occurring within a Unit, losses with respect to personal property and furnishings, and losses to improvements owned by the Unit owner or occupant, provided that if the Association obtains insurance for permanent improvements and built-in fixtures and equipment, then the insurance obtained by the Unit owner with respect to improvements within the Unit shall be limited to the type and nature of coverage commonly referred to as "tenants improvements and betterments". PLEASE NOTE: IT IS THE UNIT OWNER'S RESPONSIBILITY TO CARRY INSURANCE RELATING TO THEIR PERSONAL PROPERTY ON, IN AND AROUND THEIR UNIT. THE ASSOCIATION WILL NOT PROVIDE OR PURCHASE A POLICY FOR THE UNIT OWNER'S PERSONAL PROPERTY LOCATED ON, IN AND AROUND THEIR UNIT. All such insurance separately carried shall contain waiver of subrogation rights by the carrier as to the Association, its officers and members, and all other Unit owners and occupants.

Section 8.9. Sufficient Insurance. In the event the improvements forming a part of the Common Areas or any portion thereof shall suffer damage or destruction from any cause or peril insured against and the proceeds of any policy or policies insuring against such loss or damage

and payable by reason thereof shall be sufficient to pay the cost of repair or restoration or reconstruction, then such repair, restoration or reconstruction shall be undertaken by the Association and the insurance proceeds shall be used for payment.

Section 8.10. Insufficient Insurance. In the event the improvements forming a part of the Common Areas or any portion thereof shall suffer damage or destruction from any cause of peril which is not insured against, or, if insured against, the insurance proceeds from shall be insufficient to pay the cost of repair, restoration or reconstruction, then the Association shall make repairs, restoration or reconstruction of the damaged or destroyed Common Areas at the expense (to the extent not covered by insurance) of all Unit owners in proportion to their respective undivided interests in the Common Areas.

Should any Unit owner refuse or fail after reasonable notice to pay that Unit owner's proceeds, the amount so advanced by the Association shall be assessed against the Unit of such Unit owner and that assessment shall have the same force and effect as an assessment, and, if not paid, may be enforced in the same manner as herein provided for the nonpayment of assessments.

Section 8.11. Decision to Terminate Condominium Upon Insured Event. Eighty percent (80%) of the Unit owners and eligible first mortgage holders may elect within sixty (60) days of the damage or destruction described in Sections 8.9 and 8.10, to terminate the Condominium instead of repairing, reconstructing or replacing the damaged property. If a majority vote of the eighty percent (80%) is achieved, the Unit owners may forgo the repair, restoration or reconstruction.

ARTICLE IX

DAMAGE: RESTORATION, REHABILITATION AND RENEWAL.

Section 9.1. Restoration of Substantial Damage or Destruction. In the event of substantial damage to or destruction of all Units in a residential building, or the taking of one or more Units in any condemnation or eminent domain proceedings, the Association shall promptly restore or replace the same, unless an election is made not to do so, as hereinafter provided.

Section 9.2. Election Not to Restore. The Association may, with the consent of Unit owners entitled to exercise no less than eighty percent (80%) of the voting power of Unit owners, and the consent of eligible holders of first mortgage liens hereinafter provided, determine not to repair or restore such damage or destruction, or reconstruct such Unit or Units. In such an event, all of the Condominium Property shall be sold as upon partition. In the event of such an election not to repair or restore substantial damage or destruction or reconstruct such Unit or Units, the net proceeds of insurance paid by reason of such damage or destruction, or the net amount of any award or proceeds of settlement arising from such proceedings, shall be added to the proceeds received from the sale as upon partition, and the total amount distributed among the owners of the Units, and the holders of their respective first mortgage liens, (as their interests may appear), in the proportions of their undivided interests in the Common Areas.

Section 9.3. Rehabilitation and Renewal. The Association, with the consent of Unit owners entitled to exercise not less than seventy-five (75%) of the voting power of Unit owners, and the consent of eligible holders of first mortgage liens hereinafter provided, may determine that the Condominium is obsolete in whole or in part and elect to have the same renewed and rehabilitated. The Board shall thereupon proceed with such renewal and rehabilitation and the cost thereof shall be a common expense.

ARTICLE X
CONDEMNATION

Section 10.1. Standing. Except as hereinafter provided, the Association, or its designated representative, or authorized successor, as trustee, shall represent the Unit owners in any condemnation or eminent domain proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of all or any part of the Condominium Property, and shall have the sole and exclusive right to settle losses with the condemning authority and to receive the award or proceeds of settlement, for the use and benefit of the Unit owners and their mortgagees as their interests may appear. Notwithstanding the foregoing, in the event that a Unit owner may lawfully separately pursue and realize upon a claim for incidental and consequential losses or damage to that Unit owner resulting from a taking under the power of eminent domain, such as for relocation and moving expenses, loss of favorable mortgage terms, and other such individual incidental or consequential losses, that Unit owner may, at his, her or its election separately pursue such claim, provided, that the pursuing of the same, or the realization of an award thereof, neither jeopardizes, in any way, an action by the Association to recoup the losses incurred by it, any other Unit owner, or the direct loss with respect to the Unit itself, or with regard to the usability thereof, nor diminishes any award for any such loss.

Section 10.2. Use of Proceeds. The award or proceeds of settlement in any actual or threatened condemnation or eminent domain proceedings, after reduction by the costs, if any, incurred in obtaining the same, shall be applied first to the cost of restoring or replacing all damaged or taken improvements on the remaining Condominium Property in accordance with the Drawings, or in accordance with any new plans and specifications approved by Unit owners exercising no less than seventy-five percent (75 %) of the voting power of Unit owners, and the consent of eligible holders of first mortgage liens hereinafter provided.

Section 10.3. Insufficient Proceeds. If the award or proceeds are insufficient for such purpose, the excess cost shall be paid by the Association and, to the extent funds of the Association are insufficient, in the judgment of the Board, such excess cost shall be a Common Expense and assessed among the Units in the same manner as special assessments for capital improvements are assessed. Except as hereinafter provided, the balance of any such awarded or proceeds of settlement, if there is an excess, shall be allocated and disbursed to the Unit owners, and their first mortgagees, as their interest may appear, in proportion to their relative undivided interests of the Units in the Common Areas.

Section 10.4. Non-Restorable Unit. Notwithstanding the foregoing, in the event that as a result of any such taking, and consequent restoration to a condition comparable to that which existed prior to the taking, or could not be replaced, prior to the allocation and disbursement of any sum of any other Unit owner or his, her or its mortgagee, there shall be allocated and disbursed from such award or proceeds, to each Unit owner whose Unit cannot be so restored or replaced, and his, her or its respective first mortgage, as their interest may appear, such amount as is equal to the then fair market value of the Unit that cannot be so restored or replaced. Thereupon, such Unit or Units, and the owners thereof, shall be immediately and automatically divested of any interest in the Condominium, the Condominium property, and the Association, including, without limiting the generality of the foregoing, divestment of an undivided interest, vote, membership in the Association, and liability for common expense. All such rights and interest shall be reallocated among all other Units and Unit owners in the same relative proportions as those rights and interests were prior to such taking. To illustrate, upon a Unit being divested from the Condominium, (a) the voting right of that Unit will be equally allocated among all other Units, since each Unit prior thereto had an equal vote, and (b) the undivided

interest of that Unit will be reallocated among all other Units in the proportions of their relative undivided interests prior to such taking.

Section 10.5. Power of Attorney. Each Unit owner, by acceptance of a deed to a Unit, appoints the Association, or its designated representative, or authorized successor, as his, her or its attorney-in-fact to represent that Unit owners, settle losses, receive and utilize the award or proceeds of settlement, and do all things necessary or desirable for such attorney-in-fact to exercise the rights and fulfill the responsibilities of the Association set forth in this Article with respect to condemnation or eminent domain proceedings. This power is for the benefit of each and every Unit owner, each holder of a first mortgage on a Unit, the Association, and the real estate to which it is applicable, runs with land, is coupled with an interest, and is irrevocable.

ARTICLE XI

EASEMENTS

Section 11.1. Easements of Enjoyment; Limitations. Every Unit owner shall have a right and easement of enjoyment in, over and upon the Common Areas and an unrestricted right of access to and from his, her or its Unit, which rights and easements shall be appurtenant to and shall pass with the title to a Unit, subject to the right of the Board to make reasonable rules and regulations concerning the use and management of the Common Areas, provided that no such rule or regulation shall limit or prohibit the right of ingress and egress to a Unit, or any part thereof, or to that Unit's parking facilities. Any Unit owner may delegate that Unit owner's right of enjoyment to the Common Areas and to ingress and egress to the occupants of that owner's Unit.

Section 11.2. Right of Entry for Repair, Maintenance, and Restoration. The Association shall have a right of entry and access to, over, upon and through all of the Condominium Property, including each Unit, to enable the Association to perform its obligations, rights and duties pursuant hereto with regard to maintenance, repair, restoration and/or servicing of any items, things or areas of or in the Condominium Property. In the event of any emergency, the Association's right to enter a Unit and its appurtenant Limited Common Areas may be exercised without notice; otherwise, the Association shall give the owners or occupants of a Unit no less than twenty-four hours advance notice prior to entering a Unit or its appurtenant Limited Common Areas.

Section 11.3. Easements for Encroachments. Each Unit and the Common Areas shall be subject to easements for encroachments on any other Unit and upon the Common Areas created or arising by reason of overhangs; or by reason of deviations in construction, reconstruction, or repair; or by reason of shifting, settlement, or movement of the structures; or by reason of errors in the Drawings. Valid easements for these encroachments and for the maintenance of same, so long as the encroaching structures remain, shall and do exist.

Section 11.4. Easement for Support. Every portion of a building or utility line or any improvement on any portion of the Condominium Property contributing to the support of another building, utility line or improvement on another portion of the Condominium property shall be burdened with an easement of support for the benefit of all other such buildings, utility lines, improvements and other portions of the Condominium Property.

Section 11.5. Easements for Utilities. Easements to the Association shall exist upon, over and under all of the Condominium Property and Units for ingress to and egress from, and the installation, replacing, repairing and maintaining of, all utilities, including, but not limited to water, sewer, gas, telephone, electricity, security systems, master television antennas and cable television. By these easements it shall be expressly permissible for the Association to

grant to the providing companies permission to construct and maintain the necessary poles and equipment, wires, circuits, and conduits on, above, across and under the Condominium Property, so long as such poles, equipment, wires, circuits and conduits do not unreasonably interfere with the use and enjoyment of the Condominium Property. Should any company furnishing a service request a specific easement by separate recordable document, the Board shall have the right to grant such easement without conflicting with the terms hereof.

Section 11.6. Easement for Services. Non-exclusive easements are hereby granted to all police, firemen, ambulance operators, mailmen, deliverymen, garbage and trash removal personnel, and all similar persons, and to the local governmental authorities and the Association, but not to the public in general, to enter upon the Common Areas in the performance of their duties.

Section 11.7. Easements Reserved to Declarant. Non-exclusive easements are hereby reserved to Declarant, its successors and assigns, on, over and upon the Common Areas (a) for access for and for the purpose of completing improvements for which provision is made in this Declaration, or for the purpose of discharging any of Declarant's obligations, however arising, (b) for the periods provided for warranties hereunder, or by law, for purposes of making repairs required pursuant to those warranties or pursuant to contracts of sale made with Unit purchasers, (c) for the sales and rental period but for no longer than the date on which Declarant has closed the sale of ninety-five percent (95%) of the Units in the Condominium to bona fide purchasers, to maintain one or more Units for sales and management offices and for storage and maintenance, and model Units, parking areas for sale and rental purposes, and advertising signs, (d) for all purposes related to the construction, development, leasing and sale of improvements in the Condominium and Additional Property (the easement shall include, without limitation, the right of vehicular pedestrian ingress and egress, right to park motor vehicles and to engage in construction and marketing activities of any nature whatsoever, including the movement and storage of building materials and equipment, and the conduct of sales, leasing and managerial activities, (e) to correct drainage, and (f) for reconstruction, improvement, repair or maintenance of the common elements.

In addition, a non-exclusive perpetual easement is hereby reserved to Declarant, its successor and assigns, for their benefit and the benefit of future owners and occupants of the area into which the Condominium may be expanded ("the Additional Property"), hereinafter described, for pedestrian and vehicular access over the streets and walkways that may from time to time be a part of the Condominium Property, for ingress to and egress from the additional property, and each part thereof, and a public street, and to extend the same onto the Additional Property. Additionally, Declarant, for itself and its successors and assigns, reserves the right (a) to extend and tie into main line utility lines in the Common Areas, as permitted by public authority and the utility company involved, to extend such lines into the Additional Property to service the same, until such time as control of the Condominium Property is assumed by the Associations, and (b) to maintain on Additional Property added to the Condominium, during the period of its sale of Units in that portion added, but for no longer than the date on which Declarant has closed the sale of ninety-five percent (95%) of the Units in that portion added to bona fide purchasers, one or more Units in that portion added as sales models and offices, and for storage and maintenance purposes.

Section 11.8. Power of Attorney. Each Unit owner, by acceptance of a deed to a Unit, appoints the President of the Association, his her or its attorney-in-fact, to execute, deliver, acknowledge and record, for and in the name of such Unit owner, such deeds of easement and other instruments as may be necessary or desirable, in the sole discretion of the Board, or its authorized representative, to further establish or effectuate the foregoing easements. This power is for the benefit of each and every Unit owner, the Association, and the real estate to which it is applicable, and said power runs with the land, is coupled with an interest, and is irrevocable.

Section 11.9. General. The easements and grants provided herein shall in no way affect any other recorded grant or easement.

ARTICLE XII

ASSESSMENTS

Section 12.1. Types of Assessments. The Declarant for each Unit within the Condominium hereby covenants and agrees, and each Unit owner by acceptance of a deed to a Unit (whether or not it shall be so expressed in such deed) is deemed to covenant and agree, to pay to the Association: (1) annual operating assessments, (2) special assessments for capital improvements, and (3) special individual Unit assessments.

Section 12.2. Purposes of Assessments. The assessment levied by the Association shall be used exclusively to promote the health, safety and welfare of the Unit owners and occupants and the best interests of the Condominium Property,

Section 12.3. Assessments.

12.3.1. Annual Operating Assessments.

a. Prior to the time any Unit owner other than Declarant is to be charged assessments by the Association, and prior to the beginning of each fiscal year of the Association after the period for which the first assessments are levied, the Board shall estimate, and prorate among all Units on the basis of the undivided interest of each unit in the Common Areas, common expenses of the Association consisting of the following:

(i). the estimated next fiscal year's cost of the maintenance, repair and other services to be provided by the Association;

(ii). the estimated next fiscal year's costs for insurance and bond premiums to be provided and paid for by the Association;

(iii). the estimated next fiscal year's costs for utility services not separately metered or charged to Unit owners;

(iv). the estimated amount required to be collected to maintain a general operating reserve to assure availability of funds for normal operations of the Association, in an amount deemed adequate by the Board, but in no event less than an amount equal to two month's currently estimated assessments on all Units;

(v). the estimated next fiscal year's costs for the operation, management and administration of the Association, including, but not limited to, fees for property management, fees for legal and accounting services, costs of mailing, postage, supplies and materials for operating the Association, and the salaries, wages, payroll charges and other costs to perform these services, and any other costs constituting common expenses not otherwise herein specifically excluded;

(vi). an amount deemed adequate by the Board to maintain a reserve for the cost of unexpected repairs and replacements of capital improvements and for the repair and replacement of major improvements for which cash reserves over a period of time in excess of one year ought to be maintained;

(vii) any other expenses that are solely for the benefit of the Condominium Property.

b. The Board shall thereupon allocate to each Unit that Unit's share of all of these items, prorated in accordance with each respective Unit's undivided interest in the Common Areas, and thereby establish the annual operating assessment for each separate Unit. For administrative convenience, any such assessment may be rounded so that monthly installments will be in whole dollars.

c. Unless the Board determines otherwise, which it may do in its sole discretion, the annual operating assessment shall be payable in advance, in equal quarterly installments, provided that nothing contained herein shall prohibit any Unit owner from prepaying assessments in annual, semiannual or monthly increments. The due dates of any such installments shall be established by the Board, and, unless otherwise provided, the Association shall collect on or before the first day of each quarter from those who own the Unit an equal quarterly pro-rata share of the annual operating assessment for that Unit.

d. If the amounts so collected are, at any time, insufficient to meet all obligations for which those funds are to be used, the deficiency shall be assessed by the Board among the Units on the same basis as heretofore set forth, provided, that if common expenses are incurred by the Association prior to the time the Association commences to levy assessments against the Units, Declarant shall pay the same (subject to its right, if any, to reimbursement from Unit purchasers contained in individual contracts for the sale of a Unit or Units).

e. If assessments collected during the fiscal year are in excess of the funds necessary to meet the anticipated expenses for which the same have been collected, the excess shall be retained as reserves, and shall in no event be deemed profits nor available for distribution to Unit owners, except in the case of dissolution of the Association.

12.3.2. Special Assessments for Capital Improvements.

a. In addition to the annual operating assessments, the Board may levy, in any fiscal year, special assessments to construct, reconstruct or replace capital improvements on the Common Areas to the extent that reserves therefore are insufficient, provided that new capital improvements not replacing existing improvements shall not be constructed nor funds assessed therefore, if the cost thereof in any fiscal year would exceed an amount equal to twenty-five percent (25%) of that fiscal year's budget, without the prior consent of Unit owners exercising no less than fifty percent (50%) of the voting power of Unit owners and the consent of eligible holders of first mortgages hereinafter provided.

b. Any such assessment shall be prorated among all Units in proportion to their respective undivided interest in the Common Areas, and shall become due and payable on such date or dates as the Board determines following written notice to the Unit owners.

12.3.3. Special Individual Unit Assessments.

a. The Board may levy an assessment against an individual Unit, or Units, to reimburse the Association for those costs incurred in connection with that Unit or Units properly chargeable by the terms hereof to a particular Unit (such as, but not limited to, the cost of making repairs which are the responsibility of a Unit owner, and a Unit owner's enforcement and arbitration charges). Any such assessment shall become due and payable on such date as the Board determines, and gives written notice to the Unit owners subject thereto. Additionally, during the first years of the Condominium's existence, and until such time as real estate taxes and

assessments are split into separate tax bills for each Unit, the Association shall have the right to pay the real estate taxes and assessments attributable to the Condominium Property in the event the same have not been paid, when due, and assess each Unit owner for his, her or its share of such real estate taxes and assessments as a special individual Unit assessment. The share of those (axes and assessments attributable to a Unit shall be computed by multiplying the total taxes and assessments for all of the Condominium Property by the undivided interest in Common Areas attributable to that Unit. The calculation by the Association of the Units' shares of taxes and assessments shall be binding upon all Unit owners.

b. Any fine or assessment levied by the Board, after appropriate hearing, for violation of rules and regulations shall also be an individual unit assessment.

12.3.4. Effective Date of Assessment. Any assessment created pursuant hereto shall be effective, provided it is created as provided herein, if written notice of the amount thereof is sent by the Board to the Unit owner subject thereto at least ten (10) days prior to the due date thereof, or the due date of the first installment thereof, if to be paid in installments. Written notice mailed or delivered to a Unit owner's Unit shall constitute notice to that Unit owner, unless the Unit owner has delivered written notice to the Board of a different address for such notices, in which event the mailing of the same to that last designated address shall constitute notice to that Unit owner.

12.3.5. Effect of Nonpayment of Assessment; Remedies of the Association.

a. If any assessment or any installment of any assessment is not paid within ten (10) days after the same has become due, the Board, at its option, without demand or notice, may:

(i). declare the entire unpaid balance of the assessment immediately due and payable,

(ii). charge interest on the entire unpaid balance (or on an overdue installment, alone, if it hasn't exercised its option to declare the entire unpaid balance due and payable), at the highest rate of interest then permitted by law, or at such lower rate as the Board may from time to time determine, and

(iii). charge a reasonable, uniform, late fee, as determined from time to time by the Board.

b. Each owner of any unit, by acceptance of its' deed, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

(i). annual assessments or charges,

(ii). special assessments, such assessments to be established and collected as hereinafter provided; and

(iii). specific assessments against any particular Unit which are established pursuant to the terms of this Declaration or the Bylaws.

c. All such assessments, together with charges, interest, costs and reasonable attorney's fees actually incurred, in the maximum amount permitted by the Condominium Act, shall be a charge on the Unit and shall be a continuing lien upon the Unit against which each assessment is made. Such amounts shall also be the personal obligation of the Unit owner at the time when the assessment fell due. Each Unit owner shall be liable for his or her portion of each

assessment coming due while he or she is the owner of a Unit, and his or her grantee shall be jointly and severally liable for a portion thereof as may be due and payable at the time of any conveyance. Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors; unless otherwise provided, the annual assessments shall be paid in equal monthly installments due on the first day of each calendar month.

d. The Association, as authorized by the Board, may file a lien or liens to secure payment of delinquent assessments, interest, late fees, and costs, including reasonable attorney fees, being an action at law against the owner or owners personally obligated to pay the same, and an action to foreclose a lien, or any one or more of these. If any foreclosure action, the owner or owners affected shall be required to pay a reasonable rental for that Unit during the pendency of such action, and the Association as plaintiff in any such foreclosure action shall be entitled to become a purchaser at the foreclosure sale. In any such foreclosure action, interest and costs of such action (including reasonable attorneys' fees) shall be added to the amount of any such assessment, to the extent permitted by law.

e. No owner may waive or otherwise escape liability for the assessments provided for in this Declaration by non-use of the Common Areas, or any part thereof, or by abandonment of his, her or its Unit.

12.3.6. Subordination of the Lien to First Mortgages. The lien of the assessments and charges provided for herein shall be subject and subordinate to the lien of any duly executed first mortgage of a Unit recorded prior to the date on which such lien of the Association arises, and any holder of any such first mortgage which comes into possession of a Unit pursuant to the remedies provided in the mortgage, foreclosure of the mortgage, or deed or assignment in lieu of foreclosure, and any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid installments of assessments and charges against the mortgaged Unit which became due and payable prior to the time such holder or purchaser took title to that Unit except to the extent that such assessments remain valid pursuant to the Condominium Act.

12.3.7. Certificate Regarding Assessments. The Board shall, upon demand, for a reasonable charge, furnish a certificate signed by the President or other designated representative of the Association, setting forth whether the assessments on a specified Unit have been paid. This certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid. Such certificate shall be in the form and content required under the Condominium Act.

ARTICLE XIII

CONDOMINIUM INSTRUMENT REQUIREMENTS

Section 13.1. General. The Condominium Act requires that certain information be provided in the Condominium instruments. Much of this is provided elsewhere in the Condominium organizational documents and in other documents, but in order that all such information be provided in this Declaration, various items of that information are set forth in the following sections of this article.

Section 13.2. Deposits. Any deposit or down payment made in connection with sale of a Unit by Declarant or its agent will be held in trust or escrow until delivered at the time of the closing of the sale or returned to or otherwise created to the buyer, or forfeited to the Declarant. Deposits held in trust or escrow pursuant to sales by the Declarant or its agent shall not be subject to attachment by creditors of Declarant or the Buyer.

Section 13.3. Association Control. Except in its capacity as a Unit owner of unsold Units, the Declarant or its agent will not retain a property interest in any of the Commons Areas after control of the Association is assumed by the Association, except as expressly provided herein. The owners of Units that have been sold by the Declarant or its agent will assume control of the Association and the Common Areas, as elsewhere provided herein, in compliance with the requirements of the Condominium Act. Neither the Association nor the Unit owners will be subject to any management contract or agreement executed prior to the assumption of control of the Association by Unit owners other than Declarant for more than one year subsequent to the assumption of control unless such a contract or agreement is renewed by a vote of the Unit owners pursuant to the provisions of the By-Laws.

Section 13.4. Limited Warranties. Following are the limited warranties (and limitations thereon) which the Declarant gives to the Buyers of a Unit from it, which are not binding upon the Declarant nor enforceable by the Buyers unless and until the sale of the Unit to the Buyers is closed:

13.4.1. Units. Except as provided in subparagraph 13.4.5. below, the Declarant warrants to provide and pay for the full cost of labor and materials for any repair or replacement of structural, mechanical, and other elements pertaining to the Unit constructed by or on behalf of Declarant, occasioned or necessitated by a defect in material or workmanship, that arise within a period of two years from the Closing Date.

13.4.2. Common Areas and Facilities. The Declarant warrants to provide and pay for the full cost of labor and materials for any repair or replacement of the roof and structural components, and mechanical, electrical, plumbing, and common service elements serving the Condominium as a whole, occasioned or necessitated by defects in material or workmanship, that arise within a period of two years from the date the deed is filed for record following the first sale of a Unit in the Condominium to a purchaser in good faith for value.

13.4.3. Appliances. In the case of ranges, refrigerators, disposals, and other appliances, if any, installed and furnished by the Declarant as part of the Unit, the Declarant assigns to the Buyer all express and implied warranties of the manufacturer, and the Declarant's warranty with respect to such items is limited to the Declarant's warranty that the same have been properly installed.

13.4.4. Extended Warranties. The Declarant assigns to the Buyer any warranties made to the Declarant that exceed the time periods for warranties that the Declarant has given to the Buyers by this limited warranty.

13.4.5 Limitations.

(a). No representation is assumed by Declarant for Units not constructed by Declarant. Declarant shall not be held to make or have made any warranties, representations or covenants whatsoever with respect to Units or other improvements constructed by persons or entities other than Declarant.

(b). No responsibility is assumed for damage from any cause, whatsoever, other than to repair or replace, at the Declarant's cost, items containing defects covered by Declarant's warranty.

(iii). No responsibility is assumed for consequential or incidental damage except to the extent, if any, not permitted to be excluded or limited by law.

(iv). Implied warranties, if any, are limited to one year from the date on which the Unit is deeded to the Buyers, except to the extent, if any, that limitation is not lawful.

(v). These written warranties are the only express warranties the Declarant gives to the Buyers unless additional warranties are included in a written contract between the Declarant and the Buyers.

(vi). Any request for service must be sent in writing to the Declarant at such address as the Declarant may designate, from time to time, in writing to the Buyers. The Declarant or the Declarant's designated representative will commence performance of the Declarant's obligations under this warranty within thirty (30) days after receipt of the Buyers' request for service, and complete the same as soon as reasonably possible. All repairs and adjustments will be made Monday through Friday, 8:00 a.m. to 5:00 p.m.

13.4.6. Other Rights. This written limited warranty gives the Buyer specific legal rights and the Buyer may also have other legal rights under law.

13.4.7. Common Area Expansions. With respect to the repair or replacement of roof and structural components, and mechanical, electrical, plumbing and common service elements in areas added to the Condominium, the two year warranty shall commence on the date the deed or other evidence of ownership is filed for record following the sale of the first Unit in that area added to a purchaser in good faith for value.

Section 13.5. Declarant's Obligations. Declarant will assume the rights and obligations of a Unit owner in its capacity as owner of Units not yet sold, including, without limitation, the obligation to pay common expenses attaching to such Units, from a date no later than that upon which common expenses are first charged with respect to any other Unit.

ARTICLE XIV

MORTGAGEES

Section 14.1. Mortgages Generally. A Unit Owner may encumber or subject his or her Unit to the lien of a Mortgage. Whether or not they expressly so state, all Mortgages encumbering any Unit and the obligations secured thereby shall be deemed to provide, generally, that the Mortgage, and the rights and obligations of the parties thereto, shall be subject to the terms and conditions of the Act and this Declaration.

Section 14.2. Rights of Mortgagees. Upon the specific written request of a holder of a Mortgage on a Unit or its servicer to the Executive Board, the Mortgagee shall, at the expense of the Unit Owner, be entitled to receive some or all of the following as designated in the request:

a. Copies of budgets, notices of assessment, or any other notices or statements provided under this Declaration by the Executive Board to the Owner of the Unit covered by the mortgage;

b. Any audited or unaudited financial statements of the Association which are prepared for the Association and distributed to the Unit Owners;

c. Copies of notices of meetings of the Unit Owners and the right to designate a representative to attend such meetings;

d. Notice of the decision of the Unit Owners to make any material amendment to this Declaration;

e. Notice of substantial damage to or destruction of any Unit (the repair of which would cost in excess of \$1,000) or any part of the Common Elements (the repair of which would cost in excess of \$10,000);

f. Notices of the commencement of any condemnation or eminent domain proceedings with respect to any part of the Property;

g. Notice of any default by the Owner of the Unit which is subject to the Mortgage, where such default is not cured by the Unit Owner within thirty (30) days after the giving of notice by the Association to the Unit Owner of the existence of the default;

h. Notice of any decision by the Executive Board to terminate professional management and assume self-management of the Property.

Section 14.3. Specificity of Mortgagee Request. The request of a Mortgagee or its servicer shall specify which of the items described in Section 14.2 it desires to receive and shall indicate the address to which any notices or documents shall be sent by the Executive Board. The Executive Board need not inquire into the authority for or validity of any request made by a Mortgagee hereunder.

Section 14.4. Failure to Comply. Failure to comply with the requirements of Section 14.2 or 14.3 shall in no way invalidate otherwise proper actions of the Association or the Executive Board.

Section 14.5. Books and Records. Any Mortgagee shall have the right (exercisable by written notice to the Association and at such Mortgagee's sole cost and expense) to examine the books and records of the Association, to have prepared an audited financial statement of the Association and to require that it be provided with a copy of each annual report of the Association.

Section 14.6. Existing Mortgages. Parcel 2R is currently subject to a mortgage in favor of Fifth Third Bank ("Fifth Third") as the same may be amended from time to time. For purposes of this Declaration, Fifth Third shall be entitled to all the rights and privileges granted Mortgagees generally under this Declaration, provided, however, such shall not be construed to be a limitation on the Fifth Third Mortgage or any specific rights granted Fifth Third under this Declaration. In the event that Fifth Third shall obtain title to any Unit prior to the sale thereof by Declarant by the exercise of any rights or remedies contained in the Fifth Third Mortgage, then Fifth Third shall also succeed, at its option, to all or some of the rights of Declarants hereunder or under the By-Laws or the Act.

ARTICLE XV

No amendment required by a state or federal government unit or authority will be deemed material. An eligible holder of a first mortgage on a Unit who receives a written request to approve changes, addition or amendments that are not material, and who does not deliver or post to the requesting party a negative response within thirty (30) days, shall be deemed to have approved such request.

Section 15.4. Method to Amend. The provisions of this Declaration shall be liberally construed in order to effectuate Declarant's desire to create a uniform plan for development and operation of the Property. The headings preceding the various paragraphs of this Declaration are intended solely for the convenience of readers of this Declaration and shall have no effect on the meaning or interpretation of any provision hereof. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural, as the case may be.

Section 17.2. Applicability of Documents. Each present and future owner, tenant, occupant and mortgagee of a Unit shall be subject to and shall comply with the provisions of the Act, this Declaration and the covenants, conditions and restrictions set forth in the deed to such Unit. The acceptance of a deed or mortgage to any Unit, or the entering into a lease or the occupancy of any Unit shall constitute an agreement that the provisions of the Act, this Declaration and the covenants, conditions and restrictions set forth above and in the deed to such Unit are accepted and ratified by such grantee, mortgagee or lessee. All of such provisions shall be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance, mortgage or lease thereof.

Section 17.3. Eminent Domain. In the event that all or any portion of the Property is acquired by any governmental entity pursuant to the exercise of the power of eminent domain, then the Leslie Farms Unit Owners Association shall represent all Unit Owners in any proceedings, negotiations, settlements or agreements with respect to such condemnation. By acceptance of a deed for any Unit, each Unit owner shall be conclusively presumed to have appointed the Unit Owners Association his or her attorney-in-fact for all matters concerning condemnation of all or any portion of the Property. Any proceeds or damages paid to the Unit Owners Association pursuant to any condemnation shall be disposed of pursuant to Section 5107 of the Uniform Planned Community Act.

Section 17.4. Mechanics' Liens. Any mechanics' liens arising as a result of repairs to or improvements of a Unit by or on behalf of any Unit Owner shall be liens only against such Unit and shall be paid by the Unit Owner of such Unit. Except as expressly set forth herein to the contrary, any mechanics' liens arising as a result of repairs to or improvements of the General Common Elements, if authorized in writing pursuant to a duly adopted resolution of the Association, shall be paid by the Association and shall be a Common Expense.

Section 17.5. Enforcement. The Association (and Declarant so long as Declarant is a Unit Owner), shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or Declarant to so enforce shall in

no event be deemed a waiver of the right to do so thereafter. Any right or power vested in the Association hereunder shall be deemed to be vested in the Executive Board unless expressly stated to the contrary or otherwise required by the Act.

Section 17.6 Arbitration. To the extent permitted by the Act, any controversy or dispute involving the interpretation of this Declaration shall be settled by an arbitrator, in Pittsburgh, Pennsylvania in accordance with the Commercial Rules of Arbitration then followed by the American Arbitration Association or any successor to the functions thereof. The arbitrator shall have the right and authority to determine how its decision or determination as to each issue or matter in dispute may be implemented or enforced. Any decision or award of the arbitrator shall be final and conclusive on the Unit Owners and may be entered in and enforced by any Court having jurisdiction thereof. There shall be no appeal from any decision or award of the arbitrator other than for gross negligence or willful misconduct.

Section 17.7. Reassessment of Uncollectible Assessments. In all cases where all or part of any assessments for Common Expenses and Limited Common Expenses cannot be promptly collected from the persons or entities liable therefore, the Executive Board may reassess the same as a Common Expense without prejudice to its rights of collection.

The contribution to the Capital Improvement fund shall be collected at the closing on any resale of a Unit and shall constitute a lien against the Unit until collected and paid over to the Association.

Section 17.9. Effective Date; Severability. This Declaration shall become effective when it has been recorded. In the event that any provision of this Declaration is determined to be invalid or unenforceable, it shall be considered severed and shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of this Declaration and, in such event, all of the other provisions of this Declaration shall continue in full force and effect as if such invalid provision had never been included herein.
