

OCHA COLOR CHART FOR ALL UNITS

Paint & Stain numbers are Sherwin-Williams (SW) for the aluminum, wood and vinyl sided units.

FINISH: Exterior paint finish is Satin

TRIM: Trim on all three phases is white paint with a satin finish.

SHUTTERS: Shutters are white in Phase I & II. See colors for Phase III. **LINTELS:** Paint white with a satin finish

PAINTING VINYL: If you are painting any "vinyl," the paint should be mixed in a **vinyl safe formula – please let the store where you are buying your paint know this.** The store computers will formulate for the vinyl.
